

MRD-IT-011 Device & Hardware Policy v2.0

Effective 1 February 2026 · Owner: IT

1 Purpose

This policy covers the issue, use, and return of Meridian Labs computing equipment.

2 Standard Equipment

2.1 All employees are issued a laptop on a 3 year refresh cycle.

2.2 Engineers may select from the approved high-specification list.

2.3 Requests for a second machine require Director approval.

3 Peripherals and Accessories

3.1 Peripherals up to GBP 300 per 2 years may be ordered without approval.

3.2 Anything above that threshold requires manager approval in the ordering system.

4 Loss, Damage and Return

4.1 Lost or stolen devices must be reported to IT and to Security within 1 hour of discovery, in line with MRD-SEC-002 clause 5.1.

4.2 Devices are returned on the final day of employment. Unreturned equipment is deducted from the final payment.

4.3 Accidental damage is covered. Repeated damage is reviewed with the employee's manager.
